“God’s love—individual, real, unchanging—is the true source of our worth, identity, and dignity. It really is not a question of who we are, but rather whose we are. Because his love will never change, nothing can reduce our God-given dignity, and nothing can diminish the immeasurable worth of our lives.”
 USCCB Secretariat of Pro-Life Activities “How to Build a Culture of Life”

A Message from Father Tim:

Happy August, everyone. Boy, summer is flying by, isn't it? I hope that you are able to get some time away "from the routine", in whatever way possible before summer slips away again. Even if you can't "get away" to a different locale, each of us can try a new perspective during these summer weeks.

When's the last time that you parked in a different spot in the church parking lot? Or, how about trying a new seat at Mass on an upcoming weekend? Believe it or not, a small change in our routine can bring exciting changes in our perspective. If you change your seat at Mass one of these weekends, can you imagine how much different the church interior will look to you?

And, even if you're a long-time parishioner, don't be surprised if a new portion of your beloved church suddenly comes into view. It could be a section of the church's stained glass, or even a saint's statue that you never seemed to notice before. Give it a try this week, and great things will begin to pop out to you!

*Have a blessed week,
Father Tim*
